

U-Handles · with support washer

24310.0360

Product Description

U-handles are used, for example, on machine doors, furniture doors, cabinet doors, drawers and drawer units.

These rounded U-handles are characterised by their ergonomic and stable construction and their simple and timeless design.

Material

Handle

- Steel, plastic coated, black

Support washer

- Zinc die-cast, nickel-plated

Assembly

The supporting washer provides a good bearing surface. Suitable washers are joined in loose form.
