Tubular Handles • front mounting

24321.0630

Product Description

Tubular handles are used, for example, on machine doors.

These tubular handles made of aluminium are characterised by their ergonomic and robust construction and modern design. This version is equipped with angled handle legs (legs).

Material

Handle

 Aluminium, plastic coated, similar to RAL 9005 black, matt structure

Handle shank

 Zinc die-cast, plastic coated, black, similar to RAL 9005, matt structure

Cap

· Plastic, light grey

Covering

· Plastic, black

Assembly

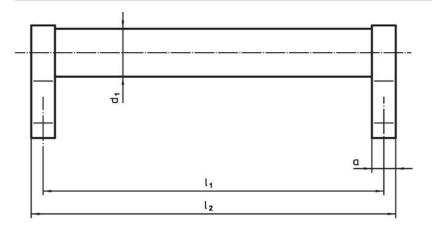

The handles can be mounted to the component from the front (operating side) using cylinder screws. The hole is closed with a plastic covering.

More information

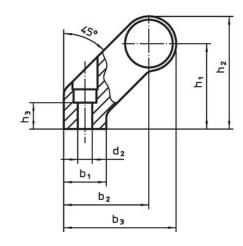

Notes

Customized design on request.
